Docket No. E-01345A-13-0140 and E-01345A-14-0250

Dear Commissioners:

I'm sure you have heard all the reasons why you should, or should not, approve the APS proposal to lease rooftops for solar panels.

This project means Arizona jobs, a benefit to Arizona property owners, and clean Arizona energy.

This project benefits Arizona and I support it!

Please approve this proposal.

Thank you,

Joyce Padilla
